Pathfinder

Our mission

Our mission is for our ethical investing to grow individual wealth and collective well-being. This means striving for both great financial returns and to positively benefit our planet and people.

After launching our first ethical fund back in 2010 (the Global Water Fund), we have embedded ethical investment in all our work. This means making conscious choices in how we invest and how we run our business.

Pathfinder is the first fund manager in New Zealand to become a Certified B Corporation. The B Corp movement is huge internationally and shows our desire to promote a sustainable economy, healthier environments and stronger communities. We have also achieved an A+ rating from the UN Principles of Responsible Investing for governance and strategy. We share this highest A+ rating with the NZ Super Fund.

For us, ethical investing is much more than only avoiding companies that harm our society or environment. We go further, seeking out companies making a difference. We believe these companies will make better long-term financial investments as well as being better for our planet and communities.

Pathfinder manages 5 funds for retail investors:

- Global Water Fund
- Global Responsibility Fund
- Global Property Fund
- Ethical Trans-Tasman Fund (this was made available to retail investors in July 2020)
- Ethical Growth Fund (this was made available in Sep 2020)

The World Equity Fund was closed on 4 August 2021.

Aside from these retail funds we also manage one wholesale fund for institutional investors (the Responsible Investment Fund) and the Pathfinder KiwiSaver Plan. We aspire for Pathfinder KiwiSaver Plan to be New Zealand's most ethical KiwiSaver and we have been delivering with over 3,000 investors having chosen to invest with us.
